

I reject NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.

I pay for this service because I'm sick of public broadcasters that kicked off one of my favorite shows Oppie & Anthony, I was a big fan of their show, and I listened to it while I was driving home. Stop wasting my taxes on regulating everything that I enjoy. Cable, Satellite services are paid, if other competition doesn't like it produce better programming.

I am sick and tired of the government telling me what I should hear or watch. The media is a bunch of terrorists, "DO YOU KNOW WHO IS WATCHING YOUR KIDS? Stay tune to find out. That hot dog you love may just kill you! Story at eleven. These scare tactics of headlines is a bunch of bull s\*\*t.
